TAMIL NADU FOREST DEPARTMENT

WILDLIFE DIVISION, RAMANATHAPURAM

RECRUITMENT NOTIFICATION

Applications are invited for the engagement of contractual personnel on a purely temporary basis, for the following post:

Post Name	**Technical Assistant**
Monthly Emolument	**Rs. 30,000/- (Consolidated)**
Qualification	M.Sc. in Marine Biology / Zoology / Environmental Science or other relevant Science disciplines. Candidates possessing **computer knowledge** and **GIS skills** will be preferred. Willingness to undertake field visits to coastal areas is essential.
Term	One year on a contractual basis. This engagement is purely temporary and shall not confer any right for regular appointment or continuation beyond the contractual period.
Duties	As prescribed by the competent authority (Field as well as Office work), including field data collection, coastal area surveys, biodiversity monitoring, GIS-related activities and preparation of reports.

Interested candidates may send their updated resume along with their contact number and email ID to

gommnp@gmail.com

before 25th November 2026, 5.00 PM.

The date, time and venue of the interview will be communicated to the shortlisted candidates through their respective email IDs.
